Memorandum of agreement made in triplicate this 23rd day of October, A.D. 1924.

BETWEEN:

THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO,
hereinafter called the "Commission,"

of the first part,

THE CORPORATION OF THE CITY OF TORONTO,
hereinafter called the "City,"

of the second part,

—and—

THE TORONTO HARBOUR COMMISSIONERS,
hereinafter called the "Harbour Commissioners,"

Whereas the Commission and the City have entered into a contract for a supply of electric power to be furnished the City by the Commission;

And whereas in pursuance of the said agreement the City has agreed to provide a right-of-way along the waterfront for such transmission lines and towers as it may be found necessary to erect from the Humber River and across Exhibition Park to the station at the foot of Strachan Avenue to enable the Commission to deliver power as required by the said contract;

And whereas the Harbour Commissioners have requested the Commission to remove the said transmission line and towers from that part of the said land so conveyed to them as aforesaid between the Humber River and a point on the water front near Dunn Avenue;

And whereas in order to meet the increasing demand for power in the City of Toronto, the Commission finds it necessary to erect an additional

transmission

transmission line and towers between the said Humber River and the said station at the foot of Strachan Avenue;

(c) The Commission agrees to pay all claims for damages or compensation arising from the closing of the said portion of the said Lake Shore Road, and for removal of all property and appliances of any Company or Corporation necessary to be removed and the extinguishment of all rights, privileges and easements owned, enjoyed or exercised in connection therewith so as to give the Commission full use of and free access to the said lands.

(d) The Hydro Commission agrees with the Harbour Commissioners:—

(1) To remove the said transmission line and towers from their present location on the lands of the Harbour Commissioners to the lands to be conveyed to the Hydro Commission by the Harbour Commissioners and the City at the earliest time reasonably possible, which combined lands are hereinafter referred to as the right-of-way.

(2) To pay to the Harbour Commissioners as the consideration for the conveyance to the Hydro Commission of that part of the said lands owned by the Harbour Commissioners referred to in paragraph (b) the sum of One hundred thousand dollars, such amount to be paid on delivery of the Harbour Commissioners' conveyance of said lands.

(e) The Harbour Commissioners agree to pay to the Hydro Commission the sum of Fifty thousand dollars in full settlement of the cost of removing the said transmission line and towers from their present location and reconstructing same on the right-of-way to be provided therefor as afore-said, said amount to be payable on completion of said work.

(f) It is agreed between the parties hereto that the total number of towers to be removed and replaced is twenty-one, and the Hydro Commission agrees to perform all the work in connection with the removing of the said transmission line and towers and to replace the grounds and property of the Harbour Commissioners in proper condition following such removal, except that the Commission shall not be bound to remove the existing concrete bases belonging to the said towers.

(g) Upon the Commission notifying the City that the Commission desires to exercise the exclusive ownership over (1) the travelled portion of the Lake Shore Road, between the east side of the Humber River and the west side of Jane Street, and/or (2) the present travelled road on the lands of the Harbour Commissioners westerly from the Sunnyside bridge to a point at which the northerly line of the diversion of the new Lake Shore Road leaves the north Lake Shore Road at a point between the Sunnyside bridge and Parkside Drive, the City will proceed to move the said Humber bridge to a new location to the south of its present site and/or to extend the Sunnyside bridge and ramp in a southerly direction to connect with the Lake Shore Road laid out on plan D-1411, or both, as the case may be, approximately as shown on the plan annexed, and thereupon the Commission shall pay the cost of so removing the bridge over the Humber River and/or of extending the said Sunnyside bridge and ramp as aforesaid, and the Commission will procure to be conveyed to the City so much of the Harbour Commissioners' land as the City may require to carry out the said extension of the Sunnyside bridge and ramp.

And until the completion of the removal of the said bridge over the Humber River, and/or of the extension of the Sunnyside bridge and ramp as aforesaid and of the roadways and approaches thereto, the said City and the Harbour Commissioners shall have the right to use the present travelled portion of the Lake Shore Road, between the east side of the Humber River and the west side of Jane Street, and/or the present travelled portion westerly from the Sunnyside bridge as aforesaid, one or both, as the case may be.

(k) And it is further agreed between the parties hereto that the new transmission lines and towers are to be located as nearly as possible in the centre of the said right-of-way.

(l) Each of the parties hereto agrees to take such proceedings as may be required to procure the legislation necessary to validate this agreement at the next session of the Legislature of the Province of Ontario.

(m) It is hereby agreed that the changes to be made at Sunnyside in connection with the bridge and ramp and at the Humber in connection with the bridge and roadway and approaches thereto, upon the Hydro Commission notifying the City that the Commission desires to exercise exclusive ownership over the present travelled portion of the Lake Shore Road between the east side of the Humber River and the west side of Jane Street, and/or the present travelled road on the lands of the Harbour Commissioners westerly from the Sunnyside bridge to a point at which the northerly line of the diversion of the new Lake Shore Road leaves the north Lake Shore Road at a point between the Sunnyside bridge and Parkside Drive, as the case may be, shall not in either case be done as a local improvement, or so as that the cost of such changes and improvements will fall upon the Harbour Commissioners or their lands.

CHAPTER 84.

An Act respecting the Town of Carleton Place.

Assented to 14th April, 1925.

WHEREAS the municipal corporation of the town of Preamble.
Carleton Place has, by its petition, represented that there is a floating indebtedness of the town of Carleton Place, amounting to the sum of \$42,000, that has been accumulating for several years; and a considerable portion thereof is for works of a permanent nature, for supplies and equipment, including construction of sidewalks, road-making, improvements made on town hall and other town property, also including expenditures for relief of charity, disease epidemics, patriotic purposes, such as war veterans' reception and gifts, and for interest paid on the town's indebtedness from time to time; which said floating indebtedness, if paid out of the current revenue, would be oppressive to the ratepayers of the town of Carleton Place, and the said town of Carleton Place has prayed that the said floating debt of \$42,000 may be consolidated, and that the said corporation may be authorized to borrow by the issue of debentures, sufficient money to discharge the said debt, and whereas the said corporation, by its petition has further represented that the watermains in the said town are in many cases laid along properties, the owners, occupants or tenants of which do not take water or pay anything to the revenue of the waterworks or the sinking funds or interest on debentures issued by the municipality therefor, except certain rates that are chargeable on the municipality as a whole, although such properties are increased in value thereby; and that in consequence thereof the revenue derived from the general water rates is less than it otherwise should be; and that there is now no effective way of charging any unpaid rates against the properties benefited by mains where water service is not installed; and that power should be granted to the Public Utilities Commission to levy and collect rates upon all properties fronting on streets, lanes and alleys along which watermains are laid where water service is not installed, and whether the lands are vacant lands or not; and to provide that all special rates shall be a lien on all properties served with mains and with the right of distress and sale of said lands as in the case of taxes in arrears and unpaid; and whereas the said corporation has by its

petition

petition prayed that an Act may be passed for the above purposes; and whereas, it is expedient to grant the prayer of the said petition;

Therefore His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

Equal annual instalments of principal and interest. (3) The said debentures shall be payable in equal annual instalments of principal and interest, in such manner and of such amounts that the amount payable for principal and interest in any year shall be equal as nearly as may be to what is payable for principal and interest during each of the other years of the period within which the said debt is to be discharged.

Special rate. (4) The said corporation shall levy in each year during the period within which the said debt is payable, in addition to all other rates, a special rate sufficient to produce and pay the annual instalments of principal and interest falling due upon the said debentures.

Application of proceeds of debentures. (5) The debentures and all moneys arising from the sale thereof shall be applied in payment of the said floating debt and for no other purpose.

Assent of electors not required. shall

shall render the same invalid or illegal, or be allowed as a defence to any action brought against the said corporation for the recovery of the said debentures or interest or any part thereof; and the purchaser or holder thereof shall not be bound to enquire as to the necessity of passing such by-law or issuing debentures or as to the application of the proceeds thereof.

(8) It shall be the duty of the treasurer, for the time being, of the said town, to keep, and it shall be the duty of each of the members, from time to time, of the council to procure such treasurer to keep, and see that he does keep, a proper book of account, setting forth a full and particular statement, so that the same shall at all times show the number of debentures which from time to time shall be issued under the powers conferred by this section, and the respective amounts, payment of which is thereby secured, and the times at which the said debentures shall respectively become due and payable, and the several amounts which shall, from time to time be realized from the sales or negotiations of the said debentures, and the application which shall, from time to time, be made of the said amounts and the said book of account and statement shall at all times, and at all reasonable hours, be open to the inspection of any ratepayer of the said town, and of any of the holders, from time to time, of the debentures which shall be issued under the powers hereby conferred, or any of such debentures.

ment of

(3) The said Public Utilities Commission, by by-law to be passed by them, shall also have power to employ such person as they think proper to make the measurements of frontage for the purpose hereof, in cases where the frontage of the lands, lots or parts of lots have not, in the judgment of the commissioners, been properly set out in the assessment roll, and to fix the compensation of the said person.

CHAPTER 85.

An Act respecting the Essex Border Utilities Commission.

Assented to 14th April, 1925.

WHEREAS the Essex Border Utilities Commission has Preamble.
 by its petition represented that it was established by an Act passed in the sixth year of the reign of His Majesty King George the Fifth, chapter 98, with power to issue debentures for the purposes set out therein; that the said commission did pass By-law No. 38 on or about the 16th day of January, 1925, to authorize the issue of debentures in the sum of three hundred and eighty-five thousand five hundred and thirty dollars (\$385,530) to pay for the extension of the western distribution main of the filtration plant from the city of Windsor southerly; that the said by-law was passed under certain extraordinary circumstances which make it desirable that the said by-law and the debentures to be issued thereunder shall be validated; that certain amendments should be made to section 10 of *The Consolidated Essex Border Utilities Act, 1921*, to make more clear its meaning; and whereas the said commission has prayed that an Act may be passed for such purposes; and whereas it is expedient to grant the prayer of the said petition;

Therefore, His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1. By-law No. 38 of the Essex Border Utilities Commission set out in Schedule "A" hereto being a by-law to raise the sum of three hundred and eighty-five thousand five hundred and thirty dollars (\$385,530) to pay the cost of the extension of the western distribution main of the filtration plant from the city of Windsor southerly, and the debentures issued or to be issued thereunder are hereby declared to be legal, valid and binding upon the said commission and upon the city of Windsor, the towns of Walkerville, Sandwich, Ojibway and La Salle and the township of Sandwich west in accordance with the provisions of *The Consolidated Essex Border Utilities Act, 1921*, c. 99.

amended.

2. Short title.

3. This Act may be cited as *The Essex Border Utilities Act, 1925*.

Commence-
ment of Act.

4. This Act shall come into force on the day upon which it receives the Royal Assent.

SCHEDULE "A".

BY-LAW NO. 38 OF THE ESSEX BORDER UTILITIES COMMISSION.

A By-law to raise by way of loan the sum of Three Hundred and Eighty-five Thousand, Five Hundred and Thirty Dollars (\$385,530.00) for the purpose of enlarging and extending the pipe lines of the water filtration system in and for the Essex Border Municipalities.

Whereas the Consolidated Essex Border Utilities Act provides that the Essex Border Utilities Commission may construct a system of water works in the Essex Border Municipalities.

And whereas pursuant to the requirements of the said Act the Essex Border Utilities Commission did employ J. Clarke Keith as engineer to make the preliminary examination and survey of the proposed work and to make a report, estimate and apportionment of the cost thereof and accordingly the said J. Clarke Keith did make a preliminary examination and survey of the proposed water filtration plant and a report, estimate and apportionment of the cost thereof, which bears the date 7th day of April, 1922.

And whereas the question of constructing the said filtration system was in due course submitted to the electors of the Essex Border Municipalities and approved by them as provided in said Act.

And whereas since the making of the said report on the 7th day of April, 1922, there has been a great increase in the population in the southern municipalities within the jurisdiction of the said Commission.

And whereas the Town of LaSalle has been erected from a portion of the Township of Sandwich West.

And whereas the requirements of the more southerly municipalities within the jurisdiction of the Commission have so increased that the pipe lines as originally proposed by the various engineers for the service of that district will shortly become insufficient in capacity and it has become necessary to enlarge the said pipe lines and to provide for carrying filtered water to the Town of LaSalle.

And whereas the said filtration plant is now and has been since the 17th day of January, 1924, under construction.

And

And whereas by a report of J. Clarke Keith dated the 12th day of June, 1924, provisions were made for the enlarging and extending the pipe lines of the said system accordingly.

And whereas the Essex Border Utilities Commission did adopt the said report which set out that the estimated cost of the said work was the sum of \$385,530.00.

And whereas the proportion of the cost of the said work to be borne by the several municipalities as provided by the said report is as follows:—

City of Windsor.....	\$43,650.00
Town of Sandwich.....	50,400.00
Township of Sandwich West.....	89,210.00
Town of Ojibway.....	134,380.00
Town of LaSalle.....	67,890.00
Total.....	\$385,530.00

And whereas the Provincial Board of Health did on the 30th day of October, 1924, approve of the construction of the said enlargement and extension.

And whereas the Essex Border Utilities Commission deems it expedient to proceed with the extension of the said water filtration plant and to authorize the payment of the cost thereof by the issue of the debentures.

And whereas the amount of the whole rateable property of each of the said municipalities including that portion of the Township of Sandwich West mentioned in Schedule "A" of the Consolidated Essex Border Utilities Act according to the last revised assessment roll thereof as certified by the County Judge of the County of Essex is as follows:—

City of Windsor.....	\$60,392,850.00
Town of Sandwich.....	7,103,674.00
Town of Ojibway.....	1,554,696.00
Township of Sandwich West.....	1,008,600.00
Town of LaSalle.....	1,401,075.00

exclusive of property assessed for school rates only.

And whereas the amount of the existing debenture debt of each of the said municipalities, including that portion of the Township of Sandwich West mentioned in Schedule "A" of the Consolidated Essex Border Utilities Act, exclusive of local improvements debts secured by special rates of assessment is as follows:—

City of Windsor.....	\$6,261,601.15
Town of Sandwich.....	388,922.19
Town of Ojibway.....	40,427.21
Sandwich West.....	51,679.62
Town of LaSalle.....	None

no part of which debt nor of the interest thereon is due or in arrear.

Therefore the Essex Border Utilities Commission enacts as follows:—

1. For the purpose of paying the cost of enlarging and extending the said Water Filtration Pipe Line the Essex Border Utilities Commission shall raise the sum of Three Hundred and Eighty-five Thousand Five Hundred and Thirty Dollars (\$385,530.00) by the issue of debentures, and the Chairman of the Commission shall be and he is hereby authorized and empowered to borrow from any person, company, society or bank willing to loan the same upon the credit of the said debentures, a sum not exceeding the sum of \$385,530.00.

2. The said debentures shall bear interest at the rate of six per cent per annum (6%) and shall be expressed in Canadian currency as to both principal and interest, and the debentures shall be payable in thirty

annual instalments during the thirty years next after the time when the same are issued.

3. The respective amounts of principal and interest payable in each year shall be as follows:—

An Act respecting the Town of Sandwich.

Assented to 14th April, 1925.

WHEREAS the municipal corporation of the town of Sandwich has by its petition represented that it did on or about the 22nd day of December, 1924, pass By-law No. 1293 for the construction of a sewer system on California, Craig, Randolph, Rankin and Partington avenues as a local improvement under the provisions of *The Local Improvement Act*; and subsequently on or about the 17th day of February, 1925, did pass By-law No. 1335 to provide for raising the sum of Thirty-nine thousand three hundred and eighteen dollars and eighty-two cents by the issue of debentures to pay for the cost of the said sewer system; and that there are certain irregularities in the said by-law which make it desirable that the same should be validated; and that there have been numerous sales of lands fronting on a certain private right of way known as Riveria avenue lying between London street and Sandwich street in the town of Sandwich with descriptions by metes and bounds and the said descriptions have been drawn under misapprehension in regard to same so that confusion has arisen in regard to the boundaries between the parcels as described in the various registered documents, but there is no real dispute as to the position of the lines between the owners, and the corporation of the town of Sandwich is thereby embarrassed in taking over and opening and improving the said right of way as a public highway and the said corporation and the present owners of the said lands have prepared a plan of subdivision of the said lands defining the said boundaries and it is desirable that such plan shall be confirmed; and whereas the said corporation has prayed that an Act may be passed for the said purposes; and whereas it is expedient to grant the prayer of the said petition;

SCHEDULE "A."

BY-LAW NO. 1335 OF THE TOWN OF SANDWICH.

A By-law to provide for borrowing Thirty-nine Thousand Three Hundred and Eighteen Dollars and Eighty-two cents (\$39,318.82) upon debentures to pay for the construction of a sewer system with lot connections on California, Craig, Randolph, Rankin and Partington Avenues in the Town of Sandwich, as follows:—On California Avenue, from Craig Street South to lot 45, block D, plan 50; on Craig Street, from California Avenue east to Partington Avenue; on Randolph Avenue, from Craig Street north to lot 565, registered plan 682, six hundred and forty-six (646) feet; on Rankin Avenue, from Craig Street northerly to lot 525, plan 682; on Partington, from the Essex Terminal Railway northerly to lot 293, plan 933.

And

And whereas the total cost of the work is Thirty-nine Thousand, Three Hundred and Eighteen Dollars and Eighty-two Cents (\$39,318.82), of which Four Thousand and Twenty-four Dollars and Seventy-two Cents (\$4,024.72) is the Corporation's portion of the cost and Thirty-five Thousand, Two Hundred and Ninety-four Dollars and Ten Cents (\$35,294.10) is the owners' portion of the cost for which a Special Assessment Roll has been duly made and certified.

And whereas of said last mentioned sum Seven Thousand, One Hundred and Eighty-eight Dollars and Forty-seven Cents (\$7,188.47) is the cost of the lot connections and Eight Thousand, Seven Hundred and Eleven Dollars and Ninety Cents (\$8,711.90) is charged on non-abutting owners.

And whereas it will be necessary to raise annually the sum of Five Thousand Three Hundred and Forty-two Dollars and Seventeen Cents (\$5,342.17), during the period of ten years to pay the said yearly sums of principal and interest as they become due, of which Five Hundred and Forty-six Dollars and Eighty-three Cents (\$546.83) is required to pay the Corporation's portion of the cost and the interest thereon, and Four Thousand, Seven Hundred and Ninety-five Dollars and Thirty-four Cents (\$4,795.34) is required to pay the owners' portion of the cost and the interest thereon, of which said last-mentioned sum Eleven Hundred and Eighty-three Dollars and Sixty-seven Cents (\$1,183.67) is required to pay the portion of the non-abutting owners.

And whereas the amount of the whole rateable property of the Municipality, according to the last revised assessment roll, is \$8,744,672.22.

And whereas the amount of the existing debenture debt of the Corporation (exclusive of local improvement debts, secured by special rates or assessments) is \$848,481.66 and no part of the principal or interest is in arrear.

Therefore the Municipal Corporation of the Town of Sandwich by the Council thereof enacts as follows:—

Schedule 1 to By-law No. 43 of Township of Stamford.

This indenture made in quadruplicate, the nineteenth day of September, One thousand nine hundred and twenty-four.

BETWEEN:

CANADIAN NATIONAL ELECTRIC RAILWAYS,
hereinafter called the "Railway,"

of the first part,

and

THE CORPORATION OF THE TOWNSHIP OF STAMFORD,
hereinafter called the "Corporation,"

of the second part.

Whereas the Railway has entered into an Agreement with the City of Niagara Falls by which it has agreed to provide and operate the "Local Lines" of its Railway as defined therein and to provide and operate a

local

local transportation system for the City of Niagara Falls and its environs, including the Township of Stamford, on the basis of "Service at Cost," upon the terms and conditions therein set forth.

And whereas portions of the "Local Lines" mentioned in the said Agreement are situated in the Township of Stamford, namely:—

- (a) Portage Road from Murray Street to (Hennepon Street) street running east and west, being part of Range I and II, "City of the Falls Survey";
- (b) Said East and West Street from Portage Road to Stanley Street;
- (c) Stanley Street from said East and West Street to the Michigan Central Railroad (Montrose);
- (d) Lundy's Lane from Victoria Street to Winery Road;
- (e) Stanley Street from North Street to Stamford Street.

And whereas the Railway has offered to provide and operate so much of the said "Local Lines" as are situate within the said Township as part of the transportation system provided for in said Agreement with the City of Niagara Falls and, except as hereby modified or altered, upon the terms and conditions set forth in the said Agreement, so far as the same are applicable.

And whereas the said Agreement between the Canadian National Electric Railways and the Corporation of the City of Niagara Falls has been approved by Act of the Legislature of the Province of Ontario, being Chapter 108, 14 George V, 1924, entitled "An Act respecting the City of Niagara Falls," and those portions of the said "Local Lines" situate within the said city are now under construction.

And whereas the Municipal Council of the Township of Stamford deems it expedient to enter into this Agreement.

And whereas by By-law duly passed by the Municipal Council and the Corporation and assented to by the Municipal Electors of the Township of Stamford, the Reeve and the Clerk of the Corporation have been authorized and directed to execute, seal and deliver this Agreement on behalf of the Corporation.

Now therefore this indenture witnesseth that for valuable consideration the parties hereto covenant and agree as follows:—

1. The definitions and all the terms, conditions, agreements, and covenants contained in the said Agreement between the Canadian National Electric Railways and the Corporation of the City of Niagara Falls, dated the first day of January, 1924, as confirmed by the said Act of the Legislature of the Province of Ontario or modified or altered thereby, are hereby incorporated in and declared to form part of this Agreement and to be binding on and effective between the parties hereto in all respects, so far as the same are applicable and except as modified or altered hereby, the words "Township" or Township of Stamford being substituted where the context requires or admits for the words "City" or City of Niagara Falls.

2. The Corporation hereby grants to the Railway for the term of twenty years from the 1st day of January, 1924, or until the termination hereof as hereinafter provided, the exclusive rights, franchise and privilege to construct, reconstruct, maintain, lease, use, own, and operate a transportation system with any necessary single, double or more tracks, together with all railway and other works usually necessary and incidental to the construction, equipment and operation thereof to the extent mentioned and authorized in and by the said Agreement and upon the terms therein mentioned, so far as applicable and except as herein modified or altered, and for the said purposes to use, occupy and operate upon the herein mentioned streets, it being the intent and meaning hereof that the Railway shall not be subject to competition in its business of transporting passengers whether such competition be in the nature of motor buses or otherwise.

3. The Corporation hereby agrees that the Railway may carry out any and all of its obligations to the City of Niagara Falls under the said Agreement.

4. It is hereby agreed that the Corporation, in case it decides to terminate this franchise, under the provisions of Section XLIII of said Agreement,

will

will either by itself or under such arrangement as may then be made in that behalf by the Corporation with the City of Niagara Falls, carry out and do all things to be carried out or done in case of termination, as provided by said Agreement, or in case the City of Niagara Falls shall at any time terminate the franchise granted by the said Agreement under the provisions thereof, and the Corporation shall then be unwilling to participate in the purchase of the property mentioned in Section XLIV of the said Agreement, that it will then, if such becomes necessary, agree that the City of Niagara Falls may purchase, own, maintain and operate so much of the "Local Lines" as may then be situate within the Township of Stamford and in the event of such purchase hereby releases and discharges the Railway from all obligations hereunder:

5. The Railway hereby agrees with the Corporation that it will on its part do, perform and carry out each and all of the provisions of the said Agreement on its part to be done, performed or carried out as the same apply to the "Local Lines" within the Township of Stamford or to the maintenance and operation of the "Local Lines" provided for therein, except as herein modified or altered.

6. The Corporation hereby grants to the Railway for the period of the franchise hereby granted a fixed assessment of Four Thousand Dollars (\$4,000.00) upon all real and personal property comprising the "Local Lines Works" situate within the Township of Stamford for all purposes of municipal taxation, including business assessment but not including school rates and local improvement rates.

7. On,—

- (a) Portage Road from Murray Street to a street running east and west, being part of Ranges I and II, "City of the Falls Survey";
- (b) Said East and West Street from Portage to Stanley Street;
- (c) Stanley Street from said East and West Street to the Michigan Central Railroad (Montrose),

the Railway shall be of open track construction and shall be located in its present location.

8. The Railway hereby agrees that on Lundy's Lane the track shall be located in such position approximately in the centre of the street as may be agreed upon between the Township Engineer and the Railway's Engineer. The Railway shall make the necessary excavation for its tracks, casting the material thus excavated to either side of the roadway for the use of the Corporation in preparing the subgrade for the proposed pavement and shall put in a foundation for the track construction of broken stone or selected gravel and bring this up to within three inches of the top of the rails, which will be T rails, weighing not less than eight-five pounds to the yard, and be laid on wooden ties.

The Corporation shall at its own expense lay upon said foundation such form of bitulithic or other surface as it shall deem suitable so that the same shall be as nearly as practicable flush with the top of the rail; leaving suitable flange way and shall thereafter maintain and keep in repair that portion of the surface of the roadway between the two portions of the proposed pavement on the highway on either side of the track and do all repairs and maintenance rendered necessary from any cause whatever including settlement, except that where the said surface is taken out by the Railway for the purpose of repairing or replacing the rails or ties, the Railway shall forthwith replace such surface as shall be taken out and restore the same to its former condition at its own expense, and any amount so expended shall be charged to maintenance.

9. The Railway shall commence to construct and reconstruct the Local Lines Works herein mentioned immediately after the final passing by the Council of the Township of Stamford of the By-law authorizing the execution hereof, provided the same is not later than the 20th day of October, 1924, otherwise, subject to the provision of Section LXIII of the said Agreement, as soon as practicable in the spring of 1925, and shall proceed to the completion of the same with due diligence.

10. Any notice to be given under any of the provisions of the said Agreement or hereof may be effectually given to the Corporation by delivering the same to the Reeve or other chief officer or to the Township Clerk and to the Railway by delivering the same to some adult person in

the office of the Railway at the City of Niagara Falls herein. Any such notice may also be effectually given by registered letter prepaid and deposited in one of His Majesty's Post Offices, either in the City of Niagara Falls or the City of Toronto, addressed, if to the Corporation, to "The Township Clerk or the Township of Stamford" at Niagara Falls, Ontario, or, if to the Railway, to "The Manager, Canadian National Electric Railways" at Toronto, Ontario. If by registered letter as aforesaid the notice shall be deemed to have been given on the day of the posting thereof.

11. It is understood and agreed that the whole of the Local Lines shall be operated as one system and that no separate accounting shall be done in respect of the Local Lines in the City of Niagara Falls and those of the Township of Stamford. All the provisions hereof and of the said Agreement between the Railway and the Corporation of the City of Niagara Falls shall be so construed as to give effect to this Section.

12. It is hereby declared and agreed for the sake of greater certainty, but not so as to limit the generality of the foregoing, that the following Sections and parts of Sections of the said Agreement between the Railway and the City of Niagara Falls shall be excluded from and shall not form part of this Agreement:—

(1) All that part of Section X beginning with the word "Provided" in the second line thereof.

(2) Section XXI.

(3) Section XLIX.

13. It is hereby agreed that only children under sixteen years of age, being bona fide pupils in regular attendance at some school situate within the Township, shall be entitled to be carried on the Local Lines at the rates of fare mentioned in the Fare Schedule for School Children, but this Section shall not in any way limit the rights of school children to be carried at such rates so far as the City of Niagara Falls is concerned, as provided for in said Section XL.

14. This Agreement shall come into effect upon the final passing of the By-law authorizing the same.

In witness whereof the parties hereto have hereunto affixed their seals, attested by the proper officers in that behalf.

AGREEMENT PURSUANT TO BY-LAW No. 25 OF TOWNSHIP OF STAMFORD.

This agreement made in duplicate, this thirty-first day of December, one thousand nine hundred and twenty-four.

BETWEEN:

THE MUNICIPAL CORPORATION OF THE TOWNSHIP OF
STAMFORD, in the County of Welland, hereinafter called
the "Corporation,"

of the first part,

and

THE DEPARTMENT OF PUBLIC HIGHWAYS OF THE
PROVINCE OF ONTARIO, hereinafter called the "Depart-
ment,"

of the second part.

Whereas *The Provincial Highway Act*, 7 Geo. V, Chap. 16, Section 28, authorizes the Department to enter into an agreement with the Corporation of any Municipality, through or in which any part of the Provincial Highway is situate, for the construction of a pavement or roadway of a greater width or with different specifications to those for the remainder of the roadway and the Department may construct a pavement or roadway of such additional width or varied specifications through the municipality or such portion thereof as may be agreed upon;

And whereas the Corporation has requested that under said Section 28 of *The Provincial Highway Act*, the Department construct a pavement of a greater width than of the remainder of the said roadway within the limits of the Township of Stamford on the Provincial Highway known as Lundy's Lane from the limits of Niagara Falls to Winery Road, for a distance of approximately three thousand four hundred feet, as shown on plan;

And whereas the Department is agreeable to construct a pavement with such additional width as required by the said Corporation;

And whereas by By-law duly passed by the Municipal Council and the Corporation, the said Corporation is authorized to pay to the said Department the cost of the extra pavement;

Now therefore this agreement witnesseth that in consideration of the covenants and agreements to be kept and performed by each of them respectively, the parties hereto do agree as follows:—

1. The Department agrees to construct an additional width of Two Feet (2') of pavement together with intersections and curbs, on both sides of the Provincial Highway, through the Township of Stamford, of the same quality and with materials and methods of construction similar to those used on the remainder of the pavement, together with such additional works as are requested by the said Corporation. The said Corporation to reimburse the Department for the additional two feet of pavement together with any other expense occasioned by the construction of such roadway, which may be in addition to the amount for which the Department would have been liable in the construction of a twenty-foot pavement in the centre of the travelled portion of the roadway. The summary of cost has been presented to the Corporation and appears as a schedule to the By-law passed on the sixth day of November, 1924, and known as By-law No. 25.

2. The Department agrees to allow an authorized representative of the Corporation free access to the work and to furnish every facility that may be required by such authorized representative for the inspection of the work during its progress.

3. The Department agrees upon the completion of the work to furnish to the Corporation a detailed statement of expenditure showing the cost of such work as is required by the Corporation.

4. The Corporation agrees within thirty days of the receipt of the before-mentioned statement to pay to the Department the amount shown thereon.

5. Upon the completion of the work the Department agrees to maintain the beforementioned pavement in a manner and with similar materials to those used on the remaining portion of the pavement on the Provincial Highway and to be responsible for the maintenance of the same, as provided by *The Provincial Highway Act* with respect to Provincial Suburban roads, but such maintenance shall not be interpreted to mean the renewal or replacement of the aforesaid pavement.

6. The Corporation agrees to construct and maintain and keep in good repair the storm sewers, catch basins, curbs and gutters and to be responsible for the same.

7. The Corporation agrees to construct the necessary pavement within the area covered by the track construction, and shall, at its own expense, maintain and keep in repair that portion of the surface of the roadway between the two portions of the proposed pavement on the highway on either side of the track and do all repairs and maintenance rendered necessary from any cause whatsoever.

In witness whereof the Deputy Minister of Highways has affixed his signature and the seal of the Department and the Corporation has caused to be affixed its seal by the hands of its proper officers on its behalf.

An Act respecting the Town of Whitby.

Assented to 14th April, 1925.

Preamble.

WHEREAS the municipal corporation of the town of Whitby has by its petition represented that it has incurred a floating debt of \$35,000 which has arisen by reason of insufficient levies for a number of years past to pay for permanent improvements, the construction of sidewalks, the purchase of a site for a War Veterans' Memorial and other unforeseen expenditures and that to pay off forthwith the said indebtedness now due and owing in addition to meeting the current annual expenses would be unduly burdensome on the ratepayers of the said town; and whereas the said corporation has prayed that the various debts be consolidated and that it may be authorized to borrow money by the issue of debentures of the said town to pay off the said floating indebtedness; and whereas the total debenture indebtedness of the said town amounts to the sum of \$586,086.60 and no part thereof is in arrear either for principal or interest; and whereas it is expedient to grant the prayer of the said petition;

Assent of electors not required.

8. No irregularity in the form of the said debentures or any of them or of any by-law authorizing the issue thereof shall render the same invalid or illegal or be allowed as a defence to any action brought against the corporation for the recovery of the amount of the said debentures or interest or any part thereof and the purchaser or holder thereof shall not be required to enquire as to the necessity of passing such by-law or issuing debentures or as to the application of the proceeds thereof.

(h) Apart from the reimbursement provided in clause 2 (a) hereunder to accept as remuneration in full for performing this agreement the revenue at a rate per kilowatt hour for all electrical power or energy sold to customers in the Districts equal to the average revenue per kilowatt hour derived during the same year by the Toronto Commission from the sale of electrical power or energy to customers within the City limits using a similar class of service with a percentage added thereto to cover the greater cost of supplying such service to these more remote districts, such percentage to be determined and fixed each year by the Ontario Commission.

2: The Corporation agrees:—

(a) To re-imburse the Toronto Commission and the Ontario Commission within thirty (30) days from the date of invoice for monies that have been or may hereafter be expended in constructing, erecting and installing the said lines, equipment, apparatus and services in the Districts and in altering or changing the same or any part thereof the amounts to be paid by the Corporation to be equal to the cost of labour, material and similar expense with an addition of fifteen (15) per cent to cover engineering and overhead expenses less sinking fund and depreciation on the said costs, as set aside by the Toronto Commission up to the date of this agreement; overdue accounts to bear interest at six per cent per annum;

(c) To allow the Toronto Commission, apart from the reimbursement provided in clause 2 (a) hereof, to retain as remuneration for performing this contract, from the revenue derived from the supply of electrical power or energy as aforesaid, the amount provided in clause 1 (h) hereof and in

case the said revenue be insufficient for such purpose, then subject to the approval of the Ontario Commission, to reimburse the Toronto Commission annually for such deficit, a certified statement of such deficit, if any, to be rendered by the Toronto Commission to the Corporation at the end of each calendar year;

(d) To keep a detailed account of all monies received or expended by the Corporation in connection with this agreement or anything pertaining thereto;

(e) From time to time to set aside interest, sinking fund and depreciation on the basis required by the Ontario Commission and with its approval to invest any part thereof;

3. It is the intention hereof and it is mutually agreed between the parties hereto:

(a) That each of the parties hereto will co-operate with the other in erecting, installing, maintaining and operating a first-class, modern distribution system in the Districts and in supplying customers therein having contracts with the Corporation and in securing and retaining such customers as far as may be practicable;

(b) That the Toronto Commission will act as agent for the Ontario Commission in supplying to the Corporation the electrical power or energy required by the distribution system;

(c) That the Corporation will assume all responsibility for the distribution system and will indemnify and save harmless the Toronto Commission in case of accident or suit brought against the Toronto Commission due to any cause whatever connected with the said distribution system;

(d) That the Toronto Commission shall not be required to carry on the business for the Corporation at a loss and that the Corporation will reimburse the Toronto Commission for all legitimate costs in connection with the distribution system and will receive for its own benefit all surplus earnings therefrom.

4. In the event of a disagreement or dispute arising between the Toronto Commission and the Corporation in connection with this Agreement the said dispute or disagreement shall be immediately referred to the Ontario Commission as the sole arbitrator and its findings shall be final and binding upon both parties hereto.

5. It is mutually agreed that in the event of any portion of the Districts being annexed by the City of Toronto that part of the distribution system within the said portion, and at that time belonging to the Corporation shall automatically be transferred to the Toronto Commission and the Toronto Commission shall pay to the Corporation an amount equal to the amount expended by the Corporation for the construction, erection and installation of the part of the distribution system so transferred less sinking fund and depreciation on the basis set out in clause 2 (a) hereof from the date or dates on which the Corporation first acquired such part to the date of such transfer.

6. It is understood and is the intention hereof that nothing herein contained shall in any way limit the powers of the Toronto Commission or the Ontario Commission as conferred by the Power Commission Act and the amendments thereto, but on the other hand this agreement shall not be construed as a consent for the Toronto Commission to erect or operate lines or serve customers in the Township of North York except as provided herein.

7. Subject to clause 5 hereof this agreement shall be binding upon the parties hereto for a period of five (5) years from the date hereof and thereafter for one year periods from year to year, during the life of the first-

mentioned agreement between the Ontario Commission and the Corporation unless terminated by either party by notice in writing given to the other party at least ninety (90) days before the expiration of any such period.

8. If the Corporation at any time takes over any part or parts of the said lines in the Districts and the Toronto Commission up to the time of such taking over shall not have collected sufficient revenue fully to reimburse it for the cost of those portions of lines within the City which had to be constructed solely for the purpose of extending electrical service within the City to the said lines so taken over, then the Corporation shall pay to the Toronto Commission the balance necessary fully to reimburse the latter for that proportion of the said cost which at the time of such taking over is still due solely to the lines so taken over, but in fixing the said proportion full allowance shall be made for the proportion of said cost which is properly chargeable to customers within the City limits and full allowance shall also be made for salvage value.

9. It is hereby understood and agreed that the parties to this Agreement shall make application to the Legislature of the Province of Ontario at its next session to validate this Agreement and authorize the Township of North York to issue the necessary debentures to pay for its share of the cost of the lines, equipment and apparatus as set out in this agreement, and that this agreement is contingent upon the above application to the Legislature being granted, and that all expenses in connection with the said application shall be paid by the Corporation.

10. This agreement shall not be valid until it has been approved in writing by the Ontario Commission.

11. This agreement shall extend to, be binding upon and enure to the benefit of the successors and assigns of the parties hereto respectively.

In witness whereof the parties hereto have affixed their corporate seals and the hands of their proper officers.

And whereas by the said Statute it is further provided that the Corporation and the Commission may enter into an agreement for the operation of the cars of the Commission over any street railway in the Township of York (hereinafter called the "Township") for such period and on such terms and conditions as may be deemed proper by the parties hereto.

And whereas by By-law No. 7695 of the Corporation passed on the 7th day of August, 1924, a certified copy of which is attached hereto, the Corporation has authorized the execution and delivery of these presents.

And

And whereas the Commission has agreed on the terms and conditions hereinafter set out to operate the street railways of the Corporation for and on behalf of the said Corporation.

NOW THEREFORE THIS INDENTURE WITNESSETH that the parties hereto have agreed as follows:

(1) The Commission will, provided the terms and conditions hereinafter set out are fulfilled, operate the street railways of the Corporation on the terms and conditions, and for the period hereinafter set out, provided always that under no circumstances is the Commission or the Corporation of the City of Toronto to be at any cost or expense, or to incur any liability by reason of such operation.

(2) This agreement shall apply to each of the following street railways of the Corporation as and when rehabilitated or constructed, and to any future extension thereof or addition thereto within the districts named in sub-section 2 of section 2 of Statute 14 Geo. V, chap. 140, hereinbefore referred to.

(1) The Lambton line on Dundas Street, extending westerly from Runnymede Road to the Humber River or some point adjacent which may be mutually agreed,

(2) The Oakwood lines extending (a) northerly on Oakwood Avenue from the southerly Township line to Eglinton Avenue, thence westerly on Eglinton Avenue to a point at or near Gilbert Avenue, and (b) from Oakwood Avenue to the right of way of the Canadian Pacific Railway via Rogers Road and its extension, Hillary Avenue and Weston Road.

(3) The Corporation covenants and agrees with the Commission that within 18 months from the date hereof, or within such further period as the Commission may agree, or the Ontario Railway and Municipal Board (hereinafter called the "Board") may order, it will have the aforesaid street railways rehabilitated or constructed and ready for operation by the Commission, such rehabilitation or construction to be according to plans and specifications prepared by and furnished by the Commission at the cost of the Corporation and to be under the entire supervision of the Commission, any charge for such supervision not to exceed one per cent of the cost of such rehabilitation or construction. Provided however that the Corporation may, through its own engineer, give such additional supervision and inspection of the said work as it may desire, the Commission agreeing that upon receipt of any report from the engineer of the Corporation that the said work is not being carried out in accordance with the said plans and specifications that it will forthwith take such action as may be necessary to effect a compliance with the said plans and specifications.

(4) If the Corporation shall make default in carrying out the provisions of the next preceding paragraph as to the rehabilitation or construction of the said street railways, the Commission may forthwith terminate this agreement and the Corporation shall pay to the Commission on demand any actual loss or damage which the Commission may have sustained by reason of its having entered into the same or by reason of such termination thereof.

V., c. 139, above referred to having been obtained, apply to any other street railway constructed or acquired by the Corporation during the term of this agreement, forthwith upon the construction or acquisition of the same.

(6) No street railway or any extension thereof, other than that now being operated on Weston Road, shall be constructed or acquired by the Corporation during the term of this agreement unless with the consent of the Commission and unless in the case of the construction or rehabilitation of a street railway, or any portion or extension thereof, the approval of the Commission as to location, grade, track gauge, manner of construction and materials to be used in such construction is obtained.

(7) The Corporation will, during the term of this agreement, at the request of the Commission, take all means within its power to ensure to the Commission the exclusive right of furnishing in any manner whatsoever, local transportation within any district which may be assessed for the cost of any street railway to which this agreement applies, and in particular will pass and enforce such by-laws as it may from time to time legally pass, to prevent the operation of buses or jitneys in any such district, where and when the Commission deems such to be in competition with the street railways or other means of transportation operated by it.

(8) The Corporation agrees to pass such by-laws as it may from time to time legally do to prevent unnecessary obstruction of its street cars by other vehicles and to give such street cars a right-of-way at street intersections over other vehicles.

(9) The Corporation agrees to make no agreement or arrangement with, and to grant no bonus, license or inducement to any other railway, street railway or transportation company, within any district which may be assessed for the cost of any street railway to which this agreement applies, without the written consent of the Commission.

(10) The Corporation agrees to have furnished on streets on which the street railways operate adequate street lighting on each side thereof and in all cases where the track allowance occupies the centre of the highway to provide a sufficient width of travelling roadway on either side to permit a vehicle to pass between the street car and curb or gutter.

(11) Any debentures issued by the Corporation to meet the cost of the construction, acquisition or rehabilitation of street railways in the Township shall be serial debentures payable within a term not exceeding fifteen years, unless the Commission consent to a longer term therefor, and the parties hereto hereby agree to join in an application to the Legislature of the Province of Ontario for an amendment to the Statute hereinbefore referred to, enabling serial debentures to be issued by the Corporation for such purpose.

(12) The cost of construction, acquisition or rehabilitation of the street railways provided for herein shall in no case be deemed to include—

- (a) the cost of providing rights-of-way for such railways, other than the cost of land required for the purpose of terminal loops, and specifically land or property damages in connection with any street opening or widening.
- (b) any subway, bridge, culvert or retaining wall.
- (c) subject to Clause 32, the laying or renewal of any pavement.

(13) The cost of construction of such street railways shall also include the cost of any land, track, buildings, rolling stock, or equipment, or other capital expenditure, in addition to the original cost of such street railways, which the Commission and the Corporation from time to time may agree is necessary or which, in default of agreement, the Board may decide is necessary to the efficient operation of any such street railways, provided however that in any case any such contemplated expenditures shall be subject to the approval of the Board.

(14) The Corporation shall, within three months from the approval of any such expenditure by the said Board, furnish the Commission with the necessary monies therefor as required, and the parties hereto hereby agree to join in an application to the Legislature of the Province of Ontario for legislation permitting the Corporation to pass by-laws from time to time providing for the issuance of debentures for any such capital expenditures as are approved by the Board without submitting the same to a vote of the qualified electors.

(15) If the parties hereto at any time agree that it is necessary for the proper and efficient operation by the Commission of any of the street railways of the Corporation to construct a connection between such street railway and the Commission's system within the City of Toronto, the Commission may construct or have constructed such connection.

(16) The whole cost of construction of such connection whether within the then limits of the Township or not, shall be borne by the street railways of the Corporation and the Corporation shall have no right or claim to or interest in, any part of any such connection constructed within the limits of the City of Toronto.

(17) The cost of construction of such connection within the limits of the said city shall be deemed to include everything incidental to such construction, and unless such construction is done by contract there shall be included in such cost a proper percentage charge for the expenses of general engineering and supervision.

(18) It is agreed between the parties hereto that a connection between the street railway of the Corporation on Oakwood Avenue and the street railway of the Commission on St. Clair Avenue is necessary for the proper and efficient operation by the Commission of the street railways of the Corporation.

(19) The Commission shall have the sole management of any street railways of the Corporation to which this agreement applies, including the routes to be operated and the service to be given, shall arrange for all cars, crews and equipment necessary for the operation thereof, and shall (subject to paragraph (20) hereof) maintain and repair all parts of such street railways and the paving of the track allowance therefor which shall include the space between the outer rails and sixteen inches outside of the gauge side of each of the said outside rails.

(20) The cost of and incidental to the repair and maintenance of such track allowance paving, other than the cost of any repairs rendered necessary by reason of the repair or replacement of the tracks and track structures, shall not be charged against street railway operation, but shall be borne by the Corporation and shall be paid by it to the Commission forthwith upon demand.

(21) When the Corporation desires to carry out any municipal work under, or which may in any way affect, any street railway to which this agreement applies, it shall, except in cases of emergency give the Commission reasonable notice thereof, and shall bear the full cost of repairing or replacing any part of such street railway injured or destroyed by the carrying out of such work.

(22) The Commission may by sweepers or otherwise remove snow from off the track allowance to the sides of the roadway, and such proportion of the cost of the snow removal from the roadway, other than the cost of the removal from the track allowance as above, as the width of the track allowance bears to the total width of the roadway, including sidewalks where the same are laid within three feet of the curb, shall be borne by the Commission and charged as part of the cost of operation of the said street railways.

(23) All claims or actions for alleged negligence in the operation of such street railways shall be made or brought against the Commission and dealt with by it, and the Commission shall have through its solicitor the conduct and control of all such claims and actions or of any action brought against the Corporation in respect of any such alleged negligence, and may defend or compromise the same as it deems expedient. All monies paid out in respect of any such claims or actions shall be included in the cost of operation of such street railways.

(24) The Commission agrees, if the Corporation so requests, to purchase the whole or any part of such power as is necessary for the operation of any of the street railways to which this agreement applies from the local electric system of the Corporation if and when the same is established.

(25) In case the Commission shall at any time or times be prevented from operating any of the street railways of the Corporation by reason of strike, fire, riot, invasion, act of God, or the King's enemies, or any other cause beyond its control, the rights and obligations of the parties hereto shall be unaffected thereby and each shall be prompt and diligent in doing everything in its respective power to remove or overcome such cause or causes of interruption.

(26) The Commission shall fix the rates of fare to be charged from time to time, and on each of such street railways or on any two or more thereof, and such rates shall be such as in the opinion of the Commission are necessary to meet the full cost of the maintenance, repair and operation of each of such street railways, such maintenance and/or renewal reserves as it shall think necessary, and the debt charges against the same. No reduction, however, shall be made in any existing fares without the approval of the Corporation or of the Board. Where cars are through routed over two or more of the street railways of the Corporation to which this agreement applies, the Commission shall determine the proportions of revenue, and expenditure to be allotted to each of such street railways.

(27) The cost of maintenance, repair and operation of each of such street railways shall be computed as follows:

- (a) All items directly chargeable to operation for the Corporation, such as power, maintenance of way, snow removal and injuries and damages shall be so charged.
- (b) Save in respect of such items as above, the cost of operation, exclusive of administration and management, within the Township, of rolling stock shall be charged on a car mileage basis, the rate therefor to be the average rate upon the Commission's city system for rolling stock of a like character and such rate to include an allowance for the capital costs of rolling stock and/or equipment where such rolling stock and/or equipment is not owned by the Corporation.
- (c) Any other items of cost applicable both to street railways operated by the Commission outside the Township and a street railway of the Corporation shall be apportioned by the Commission according to the respective use made by each of the facilities in respect of which such item of cost was incurred.
- (d) For each street railway of the Corporation a sum not exceeding five per cent. of the gross annual revenue may be set aside each year for the purposes of an Operating Reserve fund and such amount shall be included in the cost of maintenance, repair and operation.
- (e) The cost of administration and management in connection with such operation is to be estimated at seven per cent. of all other items of cost of maintenance, repair and operation, and is to be added thereto and retained by the Commission for its own use.

(28) In connection with the matters dealt with by the next preceding paragraph, the system of accounting to be used, except where inconsistent with the express provisions hereof, shall be the classification of accounts for use of electric railways prescribed by the Interstate Commerce Commission of the United States, dated July 1st, 1914.

(29) If for any reason the revenue from any such street railway for a period of three consecutive calendar months shall be insufficient to meet the full costs for such period of the maintenance, repair and operation thereof as defined in paragraph (27) hereof, the Corporation shall pay to the Commission forthwith on demand the amount of any such deficiency. Provided that in the event of the neglect of the Corporation to pay such amount within thirty (30) days of such demand, the Commission may, without further notice, discontinue the operation of all the said street railways and may recover from the Corporation any damage sustained by reason of such default, but such discontinuance of operation shall not release the Corporation from this agreement.

(30) The Commission shall after providing for the maintenance, repair and operation of each of such street railways as above defined and such maintenance and renewal reserves as it shall think necessary, pay any surplus revenue in its hands to the Treasurer of the Corporation to be placed by him in a special street railway account for the payment from time to time of the debt charges incurred in respect of such street railway.

(31) Any payments to be made by the Commission under the next preceding paragraph shall be made forthwith after each quarter of the calendar year and are intended to be approximate only and shall be subject to adjustment by the Commission after the annual audit and report hereinafter provided for.

(32) In consideration of the covenants and agreements entered into herein by the Corporation the Commission, for the purposes of paragraph (30) hereof only, agrees that:

- (a) the cost of paving the track allowance as defined in paragraph (19) hereof with a type of pavement to be agreed upon by the parties hereto and according to plans and specifications furnished by the Commission,
- (b) the cost of moving poles, hydrants and similar services to permit the Corporation to fulfil the conditions of paragraph (10) hereof with reference to travelling roadway, and
- (c) the cost of repair of existing permanent pavements laid on concrete foundations,

may be included in the debt charges referred to in such paragraph, provided that all such costs shall be kept in a separate account from the costs of track structure and overhead.

(33) After the close of each calendar year the Commission will prepare a report to the Corporation giving a complete certified financial statement of its operations on behalf of the Corporation during the preceding year, in respect of each street railway operated by it, and any of such statements shall be, if the Corporation so desires, subject to audit by an independent auditor to be agreed on by the parties hereto.

(34) The Commission will upon request furnish the Corporation with a statement of the revenue passengers carried and the car miles operated for any calendar month on any street railway to which this agreement applies.

(35) The Commission may during the term of this agreement operate over any of the street railways of the Corporation through running cars serving other municipalities in conjunction with the Township. Such through running service shall not however be commenced in respect of cars from any other municipality than the City of Toronto until the terms and conditions thereof as agreed to by the Commission on behalf of the Corporation shall have been approved of by the Corporation, or failing such approval by the Board.

(36) This agreement shall continue in force for a period of twenty-one (21) years from the date thereof.

(37) At the termination of this agreement the Corporation shall, if the Commission so desires, purchase from the Commission any rolling stock or other material and equipment which the parties may agree or the Board may decide were used or acquired for service upon the street railways of the Corporation at the value shown upon the books of the Commission, less depreciation at the rates allowed by the Commission for such items of property.

(38) The Corporation shall, upon the termination of this agreement, indemnify and save harmless the Commission from all claims, demands and/or obligations whatsoever in respect of its operation for the Corporation hereinunder.

(39) The Corporation hereby covenants and agrees to execute such further and other documents and to pass such by-laws as may be requested by the Commission for the purpose of fully effectuating the objects and intent of this agreement.

(40) The Commission shall not in any way be liable, by reason of any error or omission in any reports, estimates, plans or specifications made for the Corporation prior to the entering upon of this agreement, or made thereafter in pursuance thereof, or otherwise.

(41) The parties hereto agree to use their best endeavours to have this agreement ratified and confirmed by legislation at the next ensuing session of the Legislature of the Province of Ontario,

In witness whereof the parties hereto have hereunto set their corporate seals by the hands of their proper officers in that behalf, on the day and year first above written.

(e) The use of any buildings erected upon the said lands, other than a church, chapel or meeting-house, for such purposes as may from time to time be approved by the Session of the congregation.

5. To let and sell pews and burial plots and to let manses.

5. And upon further trust, to let any pews and seats at a reasonable rent, if so authorized by the Official Board of the congregation, with power to delegate any such letting to any person or persons whom they may appoint for that purpose; to let any buildings, not required for purposes of worship, at a reasonable rent; and if there shall be a burial ground or cemetery, to sell or let vaults, tombs or burial plots at a reasonable price or rent; and to account for and pay all moneys received in respect of any such letting or sale, less any expense incurred in the execution of these trusts, to the Treasurer of the congregation, or should there be no Treasurer, then to the Committee of Stewards of the congregation, or such person as shall be designated by the said Committee for the purpose of receiving the same. In case the Trustees are of opinion that any manse, parsonage or minister's dwelling is not required for the use of the minister or ministers of the congregation, or is not desirable for the use of such minister or ministers, they may, with the consent in writing of said minister or ministers, let the same and use and apply the rent derived therefrom towards paying the board and lodging of such minister or ministers or the rent for a more suitable and convenient residence for such minister or ministers.

6. The trustees shall have power to sell, mortgage, exchange, or lease the trust property with the consent of the Presbytery.

6. The Trustees or a majority of them may, but only with the consent in writing of the Presbytery within the bounds of which the lands are situate (such consent to be under the hand of the presiding officer or secretary or clerk thereof), sell the said lands or any part thereof either by public sale or private contract and either for cash or upon credit and upon such terms as to price and for such price and upon such terms as to payment or otherwise as they may deem expedient; mortgage, hypothecate or exchange the said lands or any part thereof; let any church, chapel or meeting-house upon the same for such rent and upon such terms as they may deem expedient; and make all such conveyances, mortgages, leases and assurances as may be required to complete any such sale, mortgage, hypothecation, exchange or lease. The said Trustees after first paying or otherwise providing for all indebtedness of the Trustees shall apply the moneys arising from such sale, mortgage, hypothecation, lease or exchange for the purposes of such congregation as the Official Board thereof shall direct, but should such congregation cease to exist as an organized body, such proceeds, less any expense incurred in the execution of these trusts, shall be paid to The United Church of Canada to be applied for such purposes for the benefit of The United Church of

Canada as the Conference within the bounds of which the said lands are situate may determine under the by-laws, rules and regulation of the General Council. Every application by Trustees for the consent of a Presbytery as aforesaid shall be in writing and shall state the purpose for which the moneys arising from such intended sale, mortgage, hypothecation, lease or exchange, will be applied. Any decision of a Presbytery with regard to the sale, mortgage, hypothecation, lease or exchange of the said lands or any part thereof shall be subject to appeal to the Conference within the bounds of which the said lands are situate, at the instance of not fewer than any five members of the congregation affected thereby. In every case where the consent of such Presbytery or Conference has been obtained as aforesaid it shall not be incumbent upon the purchaser, mortgagee or lessee of the said lands or of any part thereof to enquire into the necessity, expediency or propriety of any such sale, mortgage, hypothecation, lease or exchange, or to see to the application of the moneys paid to the Trustees. A certificate of the secretary or clerk of any Presbytery or Conference that any such consent has been given shall be sufficient and conclusive evidence of such consent.

7. The trustees shall keep proper accounts and minutes.

7. The said Trustees shall keep a proper book or books of account showing all moneys received and disbursed by them, and a book or books of minutes showing correctly all minutes of their meetings and of resolutions passed and proceedings taken thereat, and such book or books shall at all reasonable times be open for inspection by the minister in charge of the congregation and by the Chairman of the Committee of Stewards, and any person or persons named by them or either of them, and the said minister or the said chairman and any person named by them or either of them as aforesaid shall have the right to make such copies or abstracts of or extracts from the said accounts or minutes, as he or they may desire, and upon request from the Committee of Stewards the Trustees shall submit all books of accounts and minutes, and all vouchers, receipts, papers and documents relating to the said accounts, for audit by the Committee of Stewards, or such person or persons as the said Committee may appoint for the purpose.

8. The trustees shall have seven days' notice of all special meetings and one day's notice of other meetings.

8. Every meeting of Trustees for considering the making of any alteration of or addition to any building on the said lands, or any part thereof, or for considering the sale, mortgage, hypothecation, lease or exchange of the said lands, or any part thereof, except the letting or sale of pews, seats, vaults, tombs or burial plots, or for considering any litigation or legal proceedings in connection with the trust estate, shall be deemed a special meeting, and each member shall be entitled to seven days' notice in writing thereof, specifying the time, place and purpose of such meeting. Such notice shall be either personally delivered to each Trustee, or mailed to or delivered to him or her at his or her usual place of abode or business. Ordinary meetings may be called at any time by giving at least one day's notice in writing to each Trustee in the manner aforesaid, or by public announcement at a service for public worship at least one day prior to such meeting. Meetings may be called by the minister in charge of the congregation, or by at

least

least two of the Trustees. Notwithstanding anything herein contained no meeting or any business transacted thereat shall be invalid by reason of any lack or defect of service of notice arising from inability to ascertain the usual place of abode or business of any Trustee. All questions shall be determined by the majority vote of the Trustees present at a meeting, and the Chairman shall have a casting vote in the event of a tie. The minister of such congregation shall have the right to preside as Chairman at all meetings of the Trustees and may appoint a deputy to act in his place in his absence, and in the absence of the Minister and of any such deputy the Trustees present may elect a Chairman from among themselves.

9. The number of trustees shall not be fewer than three or more than fifteen, and vacancies shall be filled by election by the congregation, or in default of such election, by the Presbytery and the property of a congregation which ceases to exist shall be subject to the trusts determined by the Conference.

9. The number of said Trustees shall not be fewer than three or more than fifteen provided that where the number of existing Trustees is more than fifteen all such Trustees shall remain in office but that no vacancy in the office of trustee shall be filled until the number of Trustees is reduced below fifteen, in which case the number shall not again exceed fifteen. In case any of the said Trustees or any Trustee appointed under this provision shall during his or her term of office, die, resign or, having been, cease to be a member of The United Church of Canada in full communion, or remove to such a distance, or fail to attend meetings for such period not less than one year, as shall in the opinion of his or her co-trustees expressed by a two-thirds vote of said co-trustees, render it inexpedient for him or her to remain a Trustee, or in case the said congregation shall think proper to remove a Trustee from his or her office as Trustee, it shall be lawful for the said congregation, at any meeting called by notice from the pulpit during public worship on each of the two next preceding Sundays on which public worship is held, to declare by the votes of two-thirds of the members then present that such Trustee has ceased to be a Trustee of the said congregation, and such person shall thereupon cease to be a Trustee, and at the same meeting it shall be lawful for the said congregation by a like vote to appoint a successor to such Trustee, provided, however, that no Trustee who is personally liable for payment of any indebtedness in respect of the property of a congregation shall be removed without his consent unless indemnified to his satisfaction in respect of any such liability and unless at least eight days' notice in writing of such meeting shall have been mailed to each of the Trustees at his or her last known address, which notice shall state the business to be transacted at such meeting. If no successor shall be appointed at such meeting a meeting may be called in like manner for the purpose of filling such vacancy, and at such meeting a new Trustee or new Trustees (as the case may require) shall be appointed by the votes of the majority of the members then present. The notice calling a meeting for the purpose of declaring or filling a vacancy or vacancies in the office of Trustee shall be read from the pulpit by the minister or person officiating as minister, at the request of any Trustee, or of any seven members of the congregation, and every such meeting may be adjourned from time to time by the vote of the majority of the members present. During any vacancy in the office of Trustee, the remaining Trustees, not being fewer than three in number, shall have all the

powers of the full Board. A majority of the Trustees shall form a quorum save when the number of Trustees exceeds nine, in which case five shall form a quorum. The majority of the Trustees shall be members of The United Church of Canada.

A minute of every such appointment of a Trustee shall be entered in a book to be kept for the purpose, and signed by the person presiding at the meeting, and such minute so signed shall be sufficient evidence of the fact that the person or persons therein named was or were appointed and elected at such meeting, but any omission or neglect to make or sign such minute shall not invalidate such appointment or election.

And it is hereby further declared that in case there shall be at any time fewer than three Trustees, the presiding officer or clerk of the Presbytery within whose bounds and under whose jurisdiction the said congregation shall be, shall, with the remaining Trustee or Trustees, be the Trustees under these presents until the full Board is duly appointed, and at any time thereafter the Presbytery may cause notice to be given from the pulpit on two consecutive Sundays requiring the said congregation to proceed with the appointment of new Trustees. And if the said congregation shall not in the meantime have appointed new Trustees in the manner hereinbefore provided, it shall be lawful for the said Presbytery at any time after four weeks from the last giving of such notice, by resolution duly entered in the minutes of the Presbytery, to appoint new Trustees. Such appointment shall be communicated to the congregation by notice from the pulpit as soon as conveniently may be thereafter, and from the time of such communication the Trustee or Trustees so appointed shall be a Trustee or Trustees hereunder.

And it is further declared that if at any time there shall cease to be an organized congregation entitled to the use, benefit and enjoyment of the said lands, it shall be lawful at any time or times for the said Presbytery to fill any vacancy in the number of Trustees, and the said lands shall thenceforth be held subject to such trusts and for such purposes for the benefit of The United Church of Canada as the Conference within the bounds of which the said lands are situate may determine under the by-laws, rules and regulations of the General Council.

10. Trustees shall not be liable for involuntary loss.

10. A Trustee shall not be responsible for the failure of any investment or security made or taken by the Trustees or for anything done in connection with the trust estate except for his own acts and to account for any moneys coming into his own hands, and shall not be liable for injury done by others to the said trust premises, or to any part thereof.

11. In congregations existing previous to the Union which have not adopted the plan of organization prescribed for pastoral charges as provided by the Basis of Union, the words "Official Board" and "Committee of Stewards" and "Session" in this schedule shall mean such

Board or Committee or other body respectively discharging similar functions in such congregations, as to which in case of doubt the opinion of the Presbytery to which such congregation belongs shall be final and conclusive.

Assented to 14th April, 1925.

Preamble.

WHEREAS Mary Catharine Merritt, Thomas Edward Nihan, Mary Carmel Day and Frederick Weir Harcourt, Official Guardian, have by their petition set forth that Thomas Nihan, late of the city of St. Catharines, in the county of Lincoln, gentleman, deceased, died on or about the 10th day of February, 1924, having first made and published as and for his last will and testament a certain instrument bearing date the 8th day of February, 1918, in which he named as sole executor George Bennett Burson, of the city of St. Catharines, in the county of Lincoln, barrister; that there survived the said Thomas Nihan two children, namely, Mary Catharine Merritt and Thomas Edward Nihan, and three grandchildren, namely, Mary Carmel Day, Catharine Muriel Nihan and Helen Lucille Nihan, the two latter being infants under the age of twenty-one years; that a caveat was filed in the Surrogate Court of the county of Lincoln in February, 1924, on behalf of the said Mary Catharine Merritt and an action instituted by her in the Supreme Court of Ontario against all the other beneficiaries under the said will, and the said George Bennett Burson, to have it declared that the said will, which the defendants were seeking to probate, was not the last will and testament of the said Thomas Nihan, deceased, and that the said Thomas Nihan died intestate on the ground that at the time the said will was signed the said Thomas Nihan was not possessed of sufficient testamentary capacity to execute a will and that he was of unsound mind and not capable of appreciating and realizing the amount of his estate, and that he was depriving his daughter, the plaintiff in said action, of all interest in his estate except a very small interest, as is more fully set out in the proceedings in said action; that by an Order made in said action on the 30th day of May, 1924, the said Frederick Weir Harcourt, Official Guardian, was appointed to represent, for the purposes of the said action, all persons who may hereafter be born and would be entitled to any interest in the estate of the said Thomas Nihan, either under his will or otherwise; that the plaintiff moved for judgment in the said action on the terms

of a proposed agreement of compromise by way of family arrangement, and by consent of all parties such motion for judgment was turned into a trial of the action; that by a judgment delivered in the said action on the 30th day of May, 1924, the Court approved the proposed agreement of compromise by way of family arrangement as a final settlement of all questions arising in the action and of all other matters covered by such agreement, and authorized the execution of such agreement by the said Frederick Weir Harcourt on behalf of the infant defendants and of all persons born or to be born after the death of the said Thomas Nihan who had any interest, either under his will or otherwise, in the estate of the said Thomas Nihan; that such agreement of compromise by way of family arrangement has been executed by Mary Catharine Merritt, Thomas Edward Nihan, Mary Carmel Day and Frederick Weir Harcourt; that said agreement contains the following provision: "The parties hereto shall petition the Legislative Assembly of the Province of Ontario at the next session thereof for the passing of an Act validating and confirming this agreement and the judgment of the court approving the same"; that on the 12th day of June, 1924, probate of the will of the said Thomas Nihan, deceased, was granted to the said George Bennett Burson by the Surrogate Court of the county of Lincoln; and whereas the said petitioners have prayed that an Act may be passed confirming the said agreement of compromise by way of family arrangement and the said judgment; and whereas it is expedient to grant the prayer of the said petition;

Therefore, His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1. The agreement of compromise by way of family arrangement, a copy of which is set out as Schedule "A" hereto, and the judgment delivered on the 30th day of May, 1924, a copy of which is set out as Schedule "B" hereto, are declared to be final, conclusive and binding upon all persons parties to the said action or therein represented notwithstanding that any of the persons parties to or represented in said action may be under disability or may be unborn, it being hereby declared that all such persons were properly represented in the said action.

SCHEDULE "A."

Memorandum of Agreement, made this 20th day of May, one thousand nine hundred and twenty-four.

BETWEEN:

Mary Catharine Merritt and Thomas E. Nihan; Mary Carmel Day; Helen Lucille Nihan and Catharine Muriel Nihan, infants under the age of twenty-one years, represented and acting herein by Frederick W. Harcourt, one of His Majesty's Counsel, learned in the law, Official Guardian;

—and—

The said *Frederick W. Harcourt*, Official Guardian, representing all persons who may hereafter be born and who would be entitled to any interest in the estate of Thomas Nihan, deceased, either under his will or otherwise, appointed by order of the Supreme Court of Ontario.

Whereas the said Mary Catharine Merritt and Thomas E. Nihan are the daughter and son and only children, and the said Mary Carmel Day, Helen Lucille Nihan and Catharine Muriel Nihan are the only grandchildren of Thomas Nihan, late of the City of St. Catharines, in the County of Lincoln, who died on or about the eleventh day of February, 1924, having theretofore on or about the eighth day of February, 1918, made and published as and for his Last Will and Testament the instrument of that date hereinafter referred to;

And whereas on or about the seventeenth day of April, 1924, George Bennett Burson, of the City of St. Catharines, in the County of Lincoln, Barrister, filed in the office of the Registrar of the Surrogate Court of the County of Lincoln, a petition asking that probate of the said will be granted to him;

And whereas on or about the 20th day of February, 1924, the said Mary Catharine Merritt filed a Caveat in the said Surrogate Court alleging that the said Thomas Nihan was at the time of making and publishing his said will without testamentary capacity;

And whereas the proceedings in such Surrogate Court, in which the contention as to the grant of probate has arisen, have been removed into the Supreme Court of Ontario by order of such Court dated the 30th day of May, 1924, in which proceedings the said George Bennett Burson, Thomas E. Nihan, Mary Carmel Day, Helen Lucille Nihan, and Catharine Muriel Nihan (the last two represented by the Official Guardian) affirm, and the said Mary Catharine Merritt denies that the said Thomas Nihan, at the time of making and publishing his said will, was of sound and disposing mind;

And

And whereas it is deemed advisable and is in the interests of the family of the said Thomas Nihan, in order that said pending litigation be settled and all future disputes, differences and litigation be avoided, that a fair and reasonable family arrangement should be entered into providing for the adjustment of all differences and disputes;

Now this Agreement witnesseth:

(1) That, subject to the terms of this family arrangement, the provisions of the said will of the 8th of February, 1918, are accepted by all parties.

(2) That out of the property and estate devised and bequeathed by the said will, the Trustee or Trustees under the said Will for the time being shall make the following payments:—

To *Thomas E. Nihan* the sum of Three Hundred Dollars (\$300.00) per month, during his life.

To *Mary Catharine Merritt*, the sum of Three Hundred Dollars (\$300.00) per month, during her life.

For the support and maintenance of Mary Battle and for the requisite medical attendance she may require, such sums as in the opinion of the Trustee or Trustees for the time being shall be reasonably adequate.

The said payments to Thomas E. Nihan and Mary Catharine Merritt to be made monthly on the first day of each month.

(3) The provisions in the next preceding paragraph hereof providing for Thomas E. Nihan and Mary Catharine Merritt shall be in lieu of all provisions, devises and bequests made for or to them and each of them by the terms of the said will, save and except the provision for a residence for the said Thomas E. Nihan as contained in sub-clause "A" of Clause Eight of said will.

(4) The Trustee shall pay the said Mary Catharine Merritt the sum of Two Hundred and Fifty Dollars (\$250.00) as full compensation for the moneys expended by her in the maintenance of the homestead and in household expenses in connection therewith since the death of the said Thomas Nihan.

(5) The parties hereto shall petition the Legislative Assembly of the Province of Ontario at the next Session thereof for the passing of an Act validating and confirming this agreement and the Judgment of the Court approving of the same.

(6) The costs of all parties, as between Solicitor and Client, of and incidental to the negotiation, preparation and settlement of this agreement, and of the proceedings in the said Surrogate and Supreme Courts and of and incidental to the application to the Legislative Assembly for the passing of said Act, shall be taxed and paid by the said Trustee out of the estate of said Thomas Nihan.*
